OBJECTIVE

As a recent graduate with a solid foundation in full-stack development and hands-on experience with the MERN stack. I am seeking an entry-level position where I can apply my technical skills and enthusiasm for learning. I aim to contribute to a dynamic team, develop innovative solutions, and grow professionally in a progressive organization that values creativity and continuous improvement.

EDUCATION

Programming Languages: JavaScript (ES6+), Java, Python

Web Technologies: HTML5, CSS3, React.js, Node.js, Express.js

Databases: MongoDB, MySQL

Tools & Platforms: GitHub, Docker, Visual Studio Code

EXPERIENCE

Intern Software Developer   **March 2024 – Present**

Growmore Technoline Private Limited, Pune

- Specialized in frontend technologies including HTML, CSS, and JavaScript to develop intuitive and engaging user interfaces.
- Integrated frontend and backend components to deliver comprehensive, end-to-end solutions.
- Focused on high-performance applications aligned with user needs and business objectives.

Engineering Intern   **January 2022 – February 2022**

Sivananda Electronics, Nashik

- Assisted in the design, testing, and optimization of electronic circuits for industrial automation systems.
- Enhanced circuit efficiency by 15% through in-depth analysis and optimized component selection.

PROJECTS

E-Commerce Platform (MERN Stack)

Developed a dynamic e-commerce platform with features like user authentication, product management, shopping carts, and discount automation. Enhanced user engagement by 20% with improved UX and functionality.

Personal Portfolio Website

Built a responsive portfolio website using React.js, CSS, and JavaScript to showcase skills and projects. Key features include an interactive project gallery and a downloadable resume.

Real Estate Website (MERN Stack)

Built a full-stack real estate platform using React, Redux, Firebase, Node.js, Express, and MongoDB, enabling users to browse, search, and list properties. Integrated Firebase authentication, optimized performance with lazy loading, and enhanced search functionality for a seamless user experience.

CERTIFICATIONS

Full Stack Development Certification
